## HOUSTON WHOLESALE MARKET

BUSINESS IS QUIET, BUT OUTLOOK IS GOOD

Books Have Been Pretty Well Cleaned Out, but Large Shipments Are Expected Next Week.

Out, but Large Shipments was transpected Next Week.

Writing from Baltimore under dute of Sarting of the Seeded Heavitt Co. say the restorday, but a moderate business were remarked, principally on orders from the control of the seeded of the control of t

A comparison of these quotations shows and advantages in favor of Houston as a wholesale market. When the buyer cenaid the country roles, 18c; Eastire State special, 18c.

many advantages in favor of Houston as a sholesale market. When the buyer considers the benefits to be derived from Houston's feight rates he will flud that, even when the quotable figures at other markets are lower the price flually paid is generally greater. The prices are those ruling among Houston wholesale merchants, and the revised daily.

ESALE MARKET

Quotations yesterday ranged from 26 to 27 cents for Texas stock.

Receipts of poultry were light yesterday and the demand continues about the same, with prices unchanged.

The market has been bare of lemens, but a fresh car of California stock was received yesterday, which is sufficient for present demands.

Writing from Baltimore under date of Sat urday, Strasbough Stockel-Hewitt Co. say of canned goods: "As a matter of called and power of the proverbial and or that "misery loves company," and

or indelinic artistic merit in the wendering array of eclebrities known as the requestional process. The control of control of the control of page where the youthful pervert has be noted kept and taught the salurary leason of employment and support. It is yours to fit the capstone to the completed monution of our imposing elegensynary culfice, and we believe you will respond to the cry is these propilious times in no uncertain way, and to you and with you and for you. So mote it be.

The Houston Medical and Surgical Sanitari

Mason Block, Main Street, Center of City.

Rational Principles: Modern Medicines Thorough and Up-to-date in even calar. No fads, no panaceus; no cure-alis; conducted on strictly ethical i cases disgnosed and treated according to the most modern, scientific met Tile institution is conducted according to the most rational and advicement of the most rational and participation of our DR, EDWARD AUGR.

Physician in Charge;

Specialist in Physical and Physician and Surgeon in Chief. Specialist in Diseases of Women.

Consultations-Examinations-X-Ray Examinations-Free

Our Special Department for the Treatment of Diseases of Women

is provided with the latest adjuncts of modern amptic surgery and gynecology and has no superior in this city. In this department new and adjunctific methods of treatment are used to secure a speedy cure of our lady patients, even in the most difficult cases. The attention given to our patients is perfect and our means of diagnosing and treating cases are such as to warrant the most happy results.

The Department of Electric Treatment Consisting of the Largest and Most Powerful Static (X-Ray) Machine

in Honston, the Kidder High Tendon Apparatus and Galvanie Rattery and other bigh potential modalities for the successful cure of ACUTE AND CHRONIC RHEILMATISM, GOUT DISHASES OF THE NERVOUS SYSTEM, DISHASES OF FEMALE PELVIC ORGANS, and other chronic pathological conditions. Our Sprague Hot Air Hospital This feature of the Houston Medical and Sargical Sanitarium rivals any other institution of the kind in the South. Its equipment consists of the genuine Saragua Hody Apparation (Twentieth Century Class A) and the Sprague Arm and Leg Apparations. These mechines thust not be compared with any other so-called Hot-Ale machines, which in comparison are mere cheap forms of grilladers without scientific principles. The Sprague Apparatus has since its invention, brought on a revolution in the treatment of BHEUMATISM AND GOUTY CONDITIONS, and in cases so far resisting my other treatment, a permanent cure has been effected through the

Sprague Hot Air Apparatus We are the only histitution in the fourh that her regardless to the enormous cost, procured them apparatus direct from the inventor in New York.

FILE THEATMENT OF PULMONARY, Throat and News Disciples is equipped with all the intest improved apparatus of which we only mention the

Ozone Apparatus

The great discovery for the successful treatment of Chronic Pulmonary Discusses, of which we are the first to introduce it in Houston.

We are propored to give all kinds of lights, Isouches, Sprays, Sponges, Pacy, as well as Massage, Swedish movements by trained manipulators, scientifics classified.
